USING DSCO TO EXCHANGE DROPSHIP DATA

DROP SHIP ENROLLMENT PROCESS

Participation in the Drop Ship program is by invitation only and is designed to ensure that all participating Vendors have a clear understanding of the operational and technical requirements of the Nordstrom Drop Ship Program.

How to get invited: This process begins with an initial meeting of all groups involved (Nordstrom Buying Team and Vendor) in the implementation and maintenance of the program to review the business, product, operational and technical requirements. During the initial meeting, future steps will be discussed and follow up sessions may be held to resolve any outstanding issues. Once all business, merchandise, operational and technical issues are resolved, Nordstrom Onboarding will assist with the connection to the Dsco platform.

VENDOR BUSINESS PROCESS STANDARD

The following steps in the Vendor Drop Ship model must be included in the Vendor's business process:

- Able to comply with all requirements of the program
- Able to maintain accurate inventory reporting to avoid cancellations and adverse customer experiences
- Process to complete order picks ensuring selection of the correct items
- Process to pack order ensuring all Nordstrom standards are met
- Must be able to meet the required shipping timeframes outlined below in Section 6
- Process to ship order ensuring the correct order is shipped to the correct location

MERCHANDISE STRATEGY

PRODUCT SELECTION & ITEM SETUP SPREADSHEET

Nordstrom's Asset Specialists will email a Product Attribute (PA) form that must be completed with product specifications, including styles selected (name and style #), details (size, colors, description, etc.), category information (pump, flat, evening boot, etc.), and price information (including wholesale price and MSRP).

- ❗ Information provided on the Product Attribute form must be accurate, as the information provided is published on the site.

COST/PRICE DISCREPANCY

If Vendor notices discrepancy between Nordstrom's purchase order and the Vendor's anticipated wholesale price, the Vendor must NOT cancel/hold orders from being shipped to our customers. The Vendor must notify Nordstrom Drop Ship Operations of the issue immediately, but the Vendor is NOT authorized to stop shipment to the customer

Vendor warrants that the wholesale price provided to Nordstrom is complete and no additional charges of any type shall be added without Nordstrom's express written consent. Such additional charges include, but are not limited to, shipping, packaging, labeling, custom duties, taxes, storage, insurance, boxing, crating, and any additional handling fees. Vendor will provide advance notice to Nordstrom of any tax changes to its wholesale price.

RETURNS, EXCHANGES, REFUSALS & UNDELIVERABLE SHIPMENTS

All customer returns are directed to the Nordstrom Fulfillment Center in Cedar Rapids, Iowa (Address: 7700 18th Street S.W., Cedar Rapids, Iowa 52404).

- Clear instructions are provided to each customer on the Nordstrom returns label. Customers can also return merchandise to our Full-Line Stores. Nordstrom requires its Drop Ship Vendor Partners to accept customer returns for all unwanted merchandise in re-sellable condition as well as merchandise containing manufacturing defects
- If, on the rare occurrence, a customer returns an item to the Drop Ship Vendor directly, Vendor must notify Nordstrom Drop Ship Operations of the return **within two (2) days** of receiving the item

OPEN RETURN AUTHORIZATION (RA) PROCESS

An Open Return Authorization process must be in place for all direct-to-consumer Vendors prior to going live; accounts will not be activated until this information is provided

Nordstrom only returns re-sellable products using this open RA number. As a guideline, once a shipping carton is full, or once a month, the re-sellable items will be shipped back to the Vendor. Vendor **will not** be notified in advance of returns being sent back to Vendor's warehouse. Packing slip in returns carton will include style numbers, quantities, cost, and retail cost information for returned merchandise. Defective returns will be handled in the same fashion as our current Nordstrom agreements allow, or on a case-by-case basis if no agreements exist.

RA numbers must be limited to 12 characters or less with only letters and/or numbers.

! Nordstrom is only able to use ONE Return Authorization (RA) number for all drop ship returns, which can be renewed on a yearly basis, if requested by the Vendor. We cannot accept RA's by request, on a monthly basis, nor by Nordstrom selling department/division.

CUSTOMER REFUSALS/ UNDELIVERABLE SHIPMENTS

If UPS deems an order undeliverable, the Vendor must contact Nordstrom Drop Ship Operations immediately at **(206) 454-5600** or via email to dropship@nordstrom.com for ship-to address verification. Vendor is responsible for providing **Proof of Delivery** to the Drop Ship Operations office at the request of Nordstrom within 24-hours of the request. Nordstrom Drop Ship Operations will contact the customer and direct the Vendor Partner to return the merchandise back to their inventory and issue a credit invoice to Nordstrom.

- If **Proof of Delivery** is **NOT** provided; the Vendor must replace the merchandise at NO cost to Nordstrom or the customer. If Vendor does not do so, Nordstrom will assess an expense offset to the Vendor. A Vendor may not use Nordstrom's UPS shipper number to ship replacement merchandise
- **Customer Refusal/Undeliverable Shipment, Finances:** Any shipping charges incurred on return shipments, refused or undeliverable (only if Vendor provides proof of delivery) should be charged to the Nordstrom UPS third-party account number

REPLACEMENT OF LOST ITEMS

Nordstrom incurs the costs involved for the replacement of lost items when Vendor Partners can provide proof

of delivery. Vendors must cooperate with Nordstrom Drop Ship Operations by providing tracking information, assisting in researching and resolving carrier claims, and recouping the claim dollars.

Ship Operations team (dropship@nordstrom.com).

i.e. warehouse changes/moves, closures, technological changes, etc.

CHANGE PROCESS FOR NORDSTROM

Nordstrom implements changes to the Drop Ship program in phases, allowing our Vendors to plan and evaluate how these changes affect their business processes. Nordstrom will use best efforts to provide the Vendor a minimum of 30 days' notice for changes in processes or requirements. Communication regarding changes will be in partnership with Nordstrom merchants and through Drop Ship Operations in writing.

SERVICE DELAYS

Communication of any potential service delays must be provided to Nordstrom.com Drop Ship Operations a **minimum of 30 days prior to any scheduled service delay**. A service delay is any situation or event, that impacts the ability to ship to customers within the expected timeframe. Service delays caused by inclement weather, employment disputes, or any other special occurrences must be communicated immediately to Drop Ship Operations (dropship@nordstrom.com).

VENDOR PERFORMANCE SCORECARDS

Scorecards focus on the below key performance areas. Vendors are shown the ideal performance range, where they fall within the range, and any operational issues that could have been avoided to lead to better performance in the future.

COMPONENTS OF A VENDOR REVIEWAL:

- Total orders received
- Total confirmed shipped orders (% of total orders)
- Fulfillment Rate (Expected Fulfillment is 98%)
- Average time - Out of warehouse

CONFIDENTIAL INFORMATION; NORDSTROM CUSTOMER INFORMATION

- All Nordstrom customer information provided to Vendor is Nordstrom Confidential Information governed by the confidentiality terms in the PO Terms & Conditions. Vendor will use this information only to fulfill orders approved by Nordstrom and not for any other purposes. For the avoidance of doubt, Vendor will not market to or communicate with Nordstrom customers without Nordstrom's prior written consent. If Vendor stores Nordstrom customer information on its own systems, Vendor will ensure such information is encrypted in transmission and at rest
- Vendor will NOT use any customer names or addresses supplied by Nordstrom for any purpose other than fulfilling a Nordstrom order without Nordstrom's written permission. No form of communication is authorized without Nordstrom's written permission

ADDITIONAL DROP SHIP VENDOR STANDARDS

- Before a Vendor can participate in the Nordstrom Drop Ship Program, the Vendor Partner must review the most updated Drop Ship Operations Manual, Nordstrom Partnership Guidelines, and the Purchase Order

Terms and Conditions, all of which can be found at www.nordstromsupplier.com

- All Vendor items must have a retail price above **\$40.00 per item** to be in the Drop Ship program
- No substitutions or alterations shall be made to the merchandise, packaging, labeling, or other materials furnished by the Vendor without written approval from Nordstrom. Such material shall not bear any logo or identification not previously specified
- **Safety Stock:** Implementing safety stock is not required, but useful for Vendors with high volume and/or if we are pulling from general stock. If Vendor is holding inventory aside in bulk, they do not need to have safety stock. We strongly suggest safety stock if the Vendor is pulling from general stock with other retailers or if Vendor DC's require a safety stock level to be used. Nordstrom recommends Vendors pull orders during off-hours (over weekends and especially during sales), decrement inventory, and resend updates when Vendor warehouse is closed

To maintain the high caliber of these relationships and to achieve our goal of always providing the best value product in the most equitable manner, we have established standards for our Vendors. In communicating these guidelines, we hope to identify potential Vendors who share our commitment to quality products, quality business principles, and quality community relationships.

We will only engage business Vendors who demonstrate a commitment to contribute to the improvement of working conditions and strive to meet our requirements stated in the Nordstrom Partnership Guidelines.
