Re: Update - New Nordstrom Fulfillment Centers – Store 489/DC 499 and Store 659/DC 699

Dear Nordstrom Supplier:

The initial letter announcing the new decentralized beauty project had the incorrect address DC 699/Store 659. This change was made in our [Routing Guide](#) and noted on the 'News & Updates' on www.nordstromsupplier.com on July 16th. We are, however, continuing to receive merchandise at the incorrect address. Please make note of the address below and ensure you have updated address for this location in your system.

Below is the original communication with the updated address:

To better serve our growing online Beauty Customer, Nordstrom is adding two additional Fulfillment Centers to our network. These FC's will specifically fill Beauty orders along with our existing FC's 808 and 568.

The two new locations are:

Store number 489 located at DC 499 – 37599 Filbert Street, Newark, CA 94560

Store number 659 located at DC 699 – **839 Commerce Drive, Upper Marlboro, MD 20774** updated Routing Guide 7-16-18

We will begin fulfilling customer orders from these two new facilities beginning in August.

Nordstrom.com PO's will have multiple "ship to" locations that are not determined until the PO has been approved. Quantities for Nordstrom.com are split based on customer demand so that we can get the product closest to the customer. Please do not pack Nordstrom.com orders until EDI has been received. Orders may have up to four "ship to" locations – please be prepared to pick, pack and ship orders to each fulfillment center accordingly.

Please ensure the two new locations are set up and active in your system no later than July 20th.
