**1 June 2006**

Dear Nordstrom Vendor,

Maintaining strong lines of communication with our vendors allows us to provide the best possible customer service. In partnership with Inovis, Nordstrom Supplier Compliance is happy to announce that you may now update your Supplier Compliance contact information via the new Nordstrom landing page on the Inovis website.

To update your contact information, go to <http://www.inovis.com/nordstrom>, fill out the "Vendor Contact Information Request" form, and click "Submit". This page may also be accessed from the Inovis homepage (<http://www.inovis.com/>). Click the "Find your retail customer programs here" link at the bottom left side of the page and then select the Nordstrom link on the "Retail Customer Connection" page. (Please note that contact information submitted via this webpage is for the exclusive use of Nordstrom Supplier Compliance.)

We are eager to keep you fully informed about Supplier Compliance at Nordstrom and appreciate your assistance with ensuring that all vendor contact information is accurate and up-to-date. We hope the launch of the new Nordstrom landing page will make updating your contact information fast and easy.

Sincerely,

Nordstrom
