Dear Nordstrom Supplier,

On March 7, 2008, Nordstrom will open its first full-line store in Hawaii. In order to insure your product arrives as planned by our merchants, please note the following important information:

Store	<b>Store 706</b> Ala Moana Center 1519 Kapiolani Blvd. Honolulu, HI 96814
Servicing DC	<b>DC 499</b> 37599 Filbert Street Newark, CA 94560-3537 PH (510) 794-5440 Fax (510) 795-5816

There are three routing options for product shipping to Hawaii:

1. Surface via DC 499: If the shipping method in your PO is "Surface" (TD504=M), then you should ship your product to DC 499 using the routing instructions for your State.
2. Air via DC 499: If the shipping method in your PO is "Air" (TD504=A), then ship the PO via Air to DC 499 following the routing instructions for your State.
3. Air Direct to Store: If the shipping method in your PO is "Air" (TD504=A) AND store 706 is listed as the "Ship To" location in the EDI (Loop ID N1 – Pos 350 - N102=0706), then ship the PO via Air Direct-To-Store using the routing instructions for your State.

Detailed routing instructions can be found in the Nordstrom Routing Guide located at <http://nordstromsupplier.com>.

Mis-routed PO's (incorrect DC or unauthorized Direct-to-Store) will be subject to vendor debits. If you have any questions what-so-ever, please contact Nordstrom Traffic by emailing to [traffic@nordstrom.com](mailto:traffic@nordstrom.com) or calling (877) 444-1313 (Option 4).
