PRODUCT OVERAGES & SHIPPED OUTSIDE AGREED WINDOW WILL BE RTV'd

Beginning on 11/4, Nordstrom will be enforcing the use of RTVs for product that was not ordered, overages or shipped outside of the agreed-to window.

Please be sure to ship per the final details of your purchase order. Any changes made by Nordstrom to the order should be reflected in the shipment. This includes overage units and items that were not on the final order. Any additions to the order will need to be communicated to your buying partners and updated on the purchase order.

Additionally, in order to ensure the maximum product market availability, please commit to the ship window on the purchase order. Orders that arrive outside of the agreed-to window will be subject to an RTV. All extension requests should continue to be communicated to the merchants in order to avoid any unintended returns.
