**Note:** We are adding new stores for our Trunk Club/Club Houses in early November. Once added, these POs will have immediate start ship dates. Please take the time to add the following stores/ship to DCs to your EDI and shipping data bases so they will be ready when you receive these orders. You will not see POs with the new stores until mid-November, as these stores will split off current FLS POs onto a unique PO number once they are added to our system.

The new Club House store numbers are: 170, 171, 172, 173, 174, 175, 176 and 180. Please see the Store/Department Listing on the left sidebar under Reference Material to find the associated DC.
