

As we continue our journey to further implement **WCOC's pursuit of Direct Receiving**; we are sharing new updates to WCOC's DC Location to simplify Supplier Routing Expectations.

As our next step, we are making additional **changes to the WCOC Ship-to location number** to align with the Mark For Store Location with the same numerical value.

WHAT IS CHANGING?

The Primary Default Warehouse for **Store 584** will change from **DC 935** to **DC 584**. *This is a **logical** change only. The physical address will remain the same: 490 Columbia Ave, Riverside CA 92507*

WHEN IS THE CHANGE EFFECTIVE?

Go live is **09/20/2023**

Ship to Location = WCOC 584

Store Name: WCOC
Address:
 490 Columbia Ave
 Riverside CA 92507

850 TRANSMISSION:

EDI mark-for location will show as 584 for the store distribution quantity (segment SDQ).

HOW TO PREPARE.

Work with your EDI team & EDI provider to have all store numbers mapped correctly to their primary warehouse.

You can find all store information in our US Routing Guide located on our website www.nordstromsupplier.com
